

LENOX® Introduces New WAVE EDGE™, Reciprocating Saw Blade Technology

Proudly Made In The USA With Global Materials, LENOX® Launches New Application-Based Reciprocating Saw Blades And Line Up Of Sub-Brands For Metal, Wood, Plastic And Demolition Applications

EAST LONGMEADOW, Mass. Aug. 18, 2022 – LENOX® a Stanley Black & Decker brand and leader in power tool accessories, is redefining performance levels in the bi-metal reciprocating category with the introduction of its new WAVE EDGE™ reciprocating saw blade technology, a revolutionary new tooth form design delivering up to 50% longer blade life for select models*.

"LENOX is committed to developing innovative products and designs such as WAVE EDGE™ for customers who expect superior-performing tools and accessories," said Matt Savarino, Director of Product Management. "After connecting with our customers - the contractors, plumbers and other tradespeople who help make our world - we created a product design that helps deliver a longer blade life for peak on-the-job performance."

"In addition to launching the new WAVE EDGE™ design, LENOX also introduced four new application-based reciprocating saw blade sub-brands, all of which blades are proudly made in the USA with global materials:

- **METALWOLF™** : Ideal for making quick cuts through a range of metal types and gauges
- **MULTIWOLF™** : Designed for making quick, clean cuts in metal, wood and plastic
- **DEMOWOLF™** : Engineered for rigorous demolition applications
- **LUMBERWOLF™** : Ideal for cutting through dense wood with nails

LENOX WAVE EDGE™ technology is featured across all models of MULTIWOLF™ and select METALWOLF™ and DEMOWOLF™ models. Additionally, LENOX RAPID PLUNGE™ technology is being extended to select LUMBERWOLF™ and DEMOWOLF™ reciprocating saw blades**. RAPID PLUNGE™ allows users to plunge cut with ease due to the blade tips' unique design for easy, quick and clean plunge cutting.

LENOX WAVE EDGE™ and RAPID PLUNGE™ products are now available in stores and online where LENOX products are sold. To learn more about these products and the entire line of LENOX tools and solutions, visit [here](#)
